

FEDERATION HAS STORMY SESSION

President Lancaster Denounces Newman and Spurns Offer of Meeting Place.

An offer by the District Commissioners to the Federation of Citizens' Association of the free use of the District building board room for the meetings of the Federation, last night, precipitated an outburst from Col. C. C. Lancaster, president of the Northwest Suburban Association, at a meeting of the Federation in the rooms of the Chamber of Commerce.

Col. Lancaster bitterly denounced Commissioner Newman as a usurper of office, questioned the legality of loaning out the board room and railed against the inferred abandonment of the independence of the association contained in the offer.

The Federation voted, 16 to 1, to hold all future meetings at the District building. Col. Lancaster said he would not attend a meeting held there.

The Federation, against the protest of several members, voted to appoint a committee of seven to consult each citizens' association, with a view to forming a battalion of associations in the coming preparedness parade.

Col. Lancaster's outburst came about through notice served by the executive board of the Chamber of Commerce that it would charge the Federation \$10 for every future meeting.

Would Involve Obligation.
Col. Lancaster declared that to accept the offer of the Commissioners would place the association in the position of being guests of its employees.

Debate followed the motion of President Shreve, of the Mid-City Association, to have the Citizens' Association of Washington participate in the parade.

\$10,000,000 A Year Wasted On Trusses

How 60 Days' Trial Protects You Against Throwing Money Away

Away With Worthless Makeshifts

Ninety-nine out of every hundred dollars spent for elastic and spring trusses might as well be thrown away.

Close to ten million dollars a year—in this country alone—is practically wasted on such contraptions.

And all simply because nine out of ten of the truss to a new TRY-ON has been examination instead of first making a THOROUGH TEST.

A Mere Try-on Is a Snare
You can't possibly tell anything about a truss or anything else for rupture merely by trying it on.

A truss or so-called "appliance" may seem all right at first and afterward prove utterly worthless. The only way in the world you can make sure of exactly what you're getting is by making a thorough SIXTY-DAY TEST without having to risk any money.

The Only Thing Good Enough To Stand a 60-Day Test
There is only one thing of any kind for rupture that you can GET on sixty days' trial.

Only one thing GOOD enough to STAND such a long and thorough test—that is our GUARANTEED RUPTURE HOLDER.

We'll make you especially for your case—make it to your measure—and let you try it sixty days. We'll practically LEND it to you that long—without asking you to risk a penny.

If it doesn't keep your rupture from coming out or bothering you in any way, no matter how hard you work or strain—if it doesn't prove every claim we make—then you can send it back and it won't cost you a single cent.

Made on New Principle
This guaranteed rupture holder—the famous Clutha—is so utterly different from everything else for rupture that it has received EIGHTEEN separate patents. It is far MORE than just a truss. Made on an absolutely new principle.

Unlike everything else, it is SELF-REGULATING, SELF-ADJUSTING—instantly and automatically.

Girls Must Show Age To Visit Dance Halls

Akron, Ohio, June 3.—Birth certificates will be no less necessary than admission tickets for girls who wish to attend public dances in Akron hereafter. This is by order of officials of the juvenile court.

Girls under 18 will not be allowed to attend dances unescorted, according to Probation Officer Sweitzer. Young women over that age may go alone if they wish. Feminine maxixe performances, one steppers, turners, trotters and other light steppers whose faces seem to index them in the flapper class, will be accosted by the vigilant officers and forced either to dig up documentary proof of their ages or leave the hall.

D. A. Edwards, president of the Lincoln Park Association, declared that the parade was the height of nonsense. The committee to consult the various associations concerning the parade is composed of George S. Shreve, Mid-City Citizens' Association; William McK. Clayton, Brightwood Park; Allan Davis, Southeast; George H. Russell, Park View; John F. Robb, Piney Branch; and Jesse L. Sature, Petworth Association, and J. W. McGuire.

Texas Delegates Seated.
Chicago, June 3.—W. H. Clifford and R. W. Humphrey, delegates from the Seventh district of Texas, were placed on the temporary roll by the national committee this afternoon when the contestants withdrew.

\$10,000,000 A Year Wasted On Trusses

How 60 Days' Trial Protects You Against Throwing Money Away

ONLY PROTECTS YOU AGAINST EVERY STRAIN so your rupture can't possibly be forced out. And in addition to this constant holding, it provides the ONLY WAY EVER DISCOVERED FOR OVERCOMING THE WEAKNESS which is the REAL CAUSE of rupture.

Just how it does that—entirely AUTOMATICALLY—is all explained in the free book which the coupon below will bring you.

No Belt—No Leg-Straps—No Springs
Does away entirely with the cumbersome leg straps and springs. People who have tried it say it is as comfortable as their clothing. It is waterproof—will hold in the bath. Also respiration proof and easily kept clean.

Will Save You From Operation
This guaranteed rupture holder has so thoroughly proved its merits in nearly 300,000 cases that surgeons in the U. S. Army and Navy and physicians in all parts of the world now recommend it instead of advising operation.

It has completely cured hundreds and hundreds of people whose cases seemed almost hopeless.

The Things We Tell in Our Book
There are so many mistaken ideas about rupture that we have taken the time to sum up in a book all we have learned during forty years of experience.

This remarkable book—cloth-bound, 96 pages, 20 chapters, and 20 photographic illustrations—is full of facts never before put in print.

It deals with rupture in all its forms and stages. It shows the dangers of operation.

It exposes the humbug "appliances," "methods," "plasters," etc.

It shows why wearing elastic or spring trusses is almost sure to shorten your life.

And it tells about the famous Clutha—how simple it is—how it ends constant expense—how you can try it sixty days without having to risk a penny, and how little it costs if you keep it.

Also gives over 500 voluntary endorsements from benefited and cured people.

Send for this book today—don't put it off—the minute it takes to write for it may free you from trouble for the rest of your life. Simply use the coupon or just say "I want it." Send me your book.
